PRODUCT DESCRIPTION

These vintage communist era scissor-action wall lights were salvaged from a military facility in Romania. They were discovered in the original crates and never used.

Come with the original vitreous enamel white shades which are in near perfect condition.

We've mounted the light on a bespoke reclaimed iroko wall block.

Rare and desirable relics from the Eastern Bloc.

Last few remaining.

- Wired in 3-core braided black flex.
- E27 Bulbholder.
- Max 60w, LED bulbs recommended.
- Supplied fully assembled and tested to CE & BS EN 60598 standards.
