PRODUCT DESCRIPTION

An iconic industrial lighting design, used in factories and workplaces across the UK and beyond from the 1920's onwards.

Its simple functionality and stylish design make it work in a wide range of interiors, from bars, restaurants and work spaces to kitchen dining tables.

Manufactured in the UK using heavy gauge spun steel with a vitreous enamel finish and bespoke cast-aluminium caps.

Finish: Gloss Grey (RAL 7046).

These have been used for a few years and have come back to us. Some characterful chipping and signs of use.
