PRODUCT DESCRIPTION

Classic vintage [Eastern Bloc](#) industrial pendant lights, reclaimed from a Czech factory.

A high quality cast-aluminium casing with heavy-duty well glass and enamelled steel shade.

These are fully cleaned, upgraded and re-wired in our workshops, but have otherwise been left in the original condition. Expect characterful wear and tear and imperfections in the paintwork and enamelling, it's part of the look with these fittings.

- Wired as standard with 1.5m braided flex. Please specify if you need longer lengths.
- E27 Bulbholder.
- Max 60w, LED bulbs recommended.
