PRODUCT DESCRIPTION

A Trainspotters exclusive, based closely on the original model that was manufactured in [East Germany](#) in the 1950's. Original examples are a rarity as they were only ever made in small numbers.

Made to a high specification in cast aluminium, steel and glass.

Fitted with the latest LED technology comprising a custom-made fully mains dimmable LED T8 tube and ballast. 18W Max. CRI 80-89.

Available in 2 colour temperatures - 3000k (White) or 2200k (Extra Warm White). The light dims to a warm glow.

Antique Bronze finish. Reeded glass.

- 2 x 2m steel suspension cables with discrete 'bullet' ceiling fixings
