PRODUCT DESCRIPTION

Classic industrial pendant lights based on the originals we reclaimed from Fort Dunlop some years ago.

Manufactured in the UK to a very high standard in heavy spun steel which has been vitreous enamelled.

Bespoke polished cast-aluminium tops.

These are a batch that we sold to a project 10 years ago and have recently bought back.

They are being sold as seconds simply because they have some chipping and signs of use - something many would consider characterful.

If it's perfection you seek you can buy new mint ones [here](#).
