PRODUCT DESCRIPTION

A vintage communist-era fluorescent pendant light reclaimed from an East German factory. Manufactured by EOW, 1960s. Cast-aluminium casing with explosion proof glass and protective steel meshwork. Preserved in the original grey paintwork, beeswaxed to stabilise. Completely refurbished and re-wired using 2 no. slimline T5 24w warm white fluorescent tubes. 1-10v dimmable.

Supplied fully assembled and tested to BS EN 60598 under accreditation by the Lighting Industry Association
