PRODUCT DESCRIPTION

An exceptional run of vintage industrial pendant lights with very unusual opaline glass integrated shades.

Manufactured by AEI Lamp and Lighting Co in Hereford in the late 1950's. For more info on AEI click [here](#).

Reclaimed from a power station in Wales and in excellent condition with original foil stickers on most lights and only some relatively minor chipping to the vitreous enamel on some shades.

The shade removes from the wired top section for easy cleaning.

We've never encountered this model before.

- Wired as standard with 1.5m braided flex. Please specify if you need longer lengths.
- E27 Bulbholder.
