PRODUCT DESCRIPTION

A run of smaller 1940/50s British industrial pendant lights by Maxlume, salvaged from a factory in the north of England. Cast aluminium with thick domed glass diffusers. Weve left these lights in the original grey/green paintwork, simply beeswaxing them to bring out the patina. Some are greener, some are greyer. We also have the larger versions of this light available, [click here](#). Each light is supplied complete with hanging kit:

A new fixed bulbholder (E27 or US E26)

1m steel chain or 1m steel suspension cable

1.5m braided flex in a choice of colours

Bespoke cast-aluminium ceiling pattress

Extra chain/cable/flex available on request
