PRODUCT DESCRIPTION

A Trainspotters exclusive remake of a French glass lighting design from the 1930's.

Indeed this was the inner section on the original [French Streetlights](#) we salvaged from the streets of Lille some years ago. We thought it far too good a design to be hidden away inside another light fitting.

Manufactured to the same high standard as the original design.

The glass is blown by hand in a traditional glass foundry. [Read more...](#)

Mounted on a bespoke brass gallery.

Bespoke antique silvered finish.

- Wired as standard with 1.5m braided flex. Please specify if you need longer lengths.
