£245.00

SKU: 933

Stock: Out of stock SKU: 933

Weight: Kg

Height: N/A

Category: [Interiors](#)

PRODUCT DESCRIPTION

We've been fortunate enough to unearth 2 large crates of these unused communist-era bulkhead wall lights with prismatic glass, found languishing in the storerooms of a defunct Polish factory. A stylishly angled cast-iron body offsets the angled glass. Supplied in the original grey paintwork which we've beeswaxed to stabilise. Fitted with new E27 or US E26 bulbholders.
