

The Trainspotters Stacking Stool

Ref: 1195

£102.00

£85.00 (Ex VAT)

Description

Classic vintage-style tubular metal stacking stools with stained and beeswaxed ply seats.

Based on the original mid 20thC design commonly used in schools and university labs across the UK.

Made to standard chair height. Made in Britain to a high standard.

Please note that there is invariably some variation in timber colour and patination between individual stools due to natural grain variation in the ply.
