PRODUCT DESCRIPTION

A Trainspotters exclusive, based closely on the original model that was manufactured in [East Germany](#) in the 1950's. Original examples are a rarity as they were only ever made in small numbers.

Made to a high specification in cast aluminium, steel and glass.

Fitted with the latest LED technology comprising a fully dimmable (1-10v) LED T8 tube and ballast.

Available in 2 colour temperatures - 3000k (White) or 2200k (Extra Warm White). The light dims to a warm glow.

Antique Bronze finish.

- 2 x 2m steel suspension cables with discrete 'bullet' ceiling fixings
- 2m braided grey 5 core flex (dimmable)
- Extra cable/flex available on request
