

ORIGINAL LUGGAGE RACKS

£450.00

SKU: 988

Stock: Out of stock SKU: 988

Category: [Interiors](#)

PRODUCT DESCRIPTION

We started the business salvaging these luggage racks from the 1st class compartments of 1950s British Rail slam door trains. We sold out a few years ago and have remanufactured our own shortened and adapted version since. Here we are offering the very last examples of the originals that we have. We put them aside for posterity 4 years ago, but their time has now come.
